RIVER GARDEN ROSE 2026

LOURENSFORD
ANNO 1700

"The River Garden wines by Lourensford are an elegant range that exemplifies the breath taking mountains, crystal-clear rivers and tranquil settings, capturing the sheer enjoyment of nature with understated class and finesse"

TASTING NOTE
The wine has fresh red fruit and citrus flavours with hints of rose water, watermelon, and strawberries and a touch of spice.

WINE INFORMATION
Making Rose, or Blanc de Noir (the name is a literal translation from the French term, 'white from black), is a bit like painting with wine – an art in its own right to get the beautiful vibrant colour and fresh fruit flavours of the Rose just perfect.

FOOD PAIRING
It is an al fresco wine, perfect for picnics and light lunches. The wine is easygoing and will pair well with creamy food with a touch of saltiness added. It pairs well with a carbonara or mussel broth served with fondant potatoes and grilled line fish. It will love you for liver and will wrap around 'skilpadjies' off the 'braai'. The wine is best friends with a smoked trout pâté and likes to flirt with an in-season strawberry. It is also a perfect partner for creamy seafood 'potjies'.

Best served ice cold.
